

# ACC RD

A Consortium for CONvection-scale modelling  
Research and Development

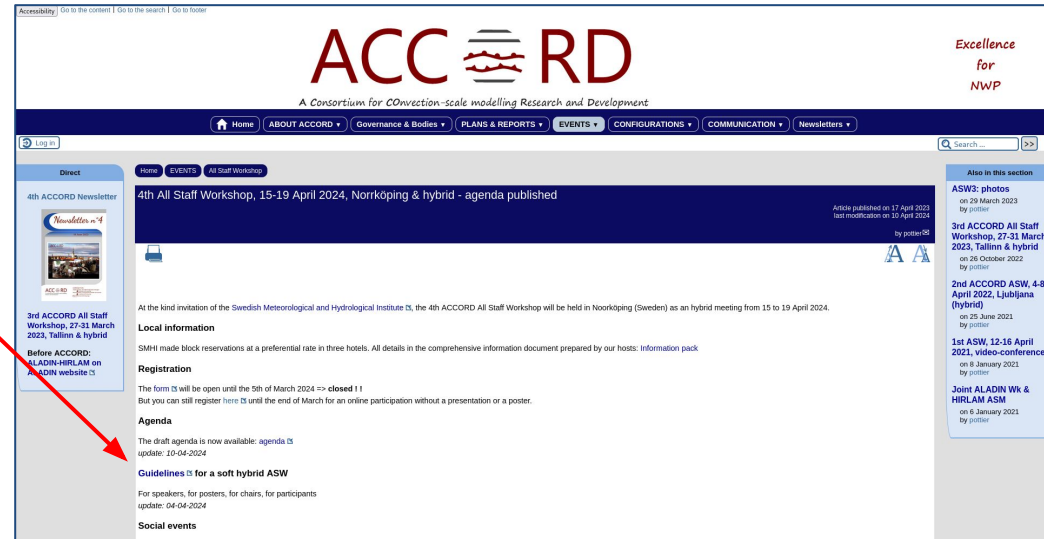

**Practical information**

# Please upload presentation before your session starts

Everyone who presents (on site at SMHI and remote) is kindly asked to upload their presentation as **pdf file** to our **common google drive folder** before the session starts.

You find the link to the common folder at the [ACCORD Web-page of the meeting](#). Look for “Please upload your presentations in PRESENTATIONS and your poster in POSTERS”

As a second alternative one can upload pdf from USB-stick to the computer at the front. But please only if the first option does not work.

The screenshot shows the ACCORD website with the following content:

- Header:** ACCORD logo, tagline "A Consortium for Convection-scale modelling Research and Development", and the slogan "Excellence for NWP".
- Navigation:** Home, ABOUT ACCORD, Governance & Bodies, PLANS & REPORTS, EVENTS, CONFIGURATIONS, COMMUNICATION, Newsletters.
- Main Content:** "4th All Staff Workshop, 15-19 April 2024, Norrköping & hybrid - agenda published". It includes sections for Local information, Registration (closed), Agenda (draft available), Guidelines for a soft hybrid ASW, and Social events.
- Left Sidebar:** "Direct" section with links to "4th ACCORD Newsletter" and "3rd ACCORD All Staff Workshop, 27-31 March 2023, Tallinn & hybrid".
- Right Sidebar:** "Also in this section" with a list of recent events and newsletters.

# The entrance door

**Please note that the entrance slide doors are locked after 16:30 so you will not be able to enter the building again if you go outdoors.**

# Excursion tomorrow

Weather forecast looks good but a bit cold, some wind 4-9 m/s
