What LACE could offer to AAA?

- Increase of Human power (MG +....)
- Budget for R&D stays and training
- Help in co-ordination
- Environment for test-beds
- Verification
- and promotion of results...

Questions for ALADIN community

- How to promote the exchange of “semi-political information” in ALADIN community between Assembly?
- Do we need the structure in ALADIN2?
- How to enlarge the funds for R&D and trainings ?
