

ALADIN governance map

Definitions:

- *Advice*: Deliver a formal statement on the way to deal with a matter to be considered by another body, especially for decision
- *Approve*: Accept formally a decision proposal issued by another body
- *Decide*: Issue a formal statement valid for execution and serving as a reference in dispute
- *Contribute*: Set out information for consideration by a body
- *Propose*: Set out a decision proposal to be approved by another body
