

# Bureau meeting

H. Malcorps  
G.A. chair

# What to decide and/or to approve

- The future Chairmanship of the General Assembly.
- The big tendencies of the 2010 workplan.
- LAM climate: which approach to first structuring: light or heavy?
- MoU redaction: committee, calendar of delivery and some anticipated changes (management practices, links with other collaborations, etc.). Suggestions welcome.
- Procedure of choice for the next PM.
- SRNWP-V domains & model versions.
- Standard issues: current year accounting (budget, manpower) and 2010 flat-rate budget.

# What to be informed about (and to comment if appropriate):

- Some issues about 'Convergence' and related topics.
- Status of the links between LAEF and GLAMEPS.
- Status of the work about diagnosed weaknesses in parameterisation (HARMONIE-raised topic).
- Status of the future maintenance-system issue (HARMONIE-raised topic).
- Staffing (over/under staffed subjects).
