Dear colleagues,

this e-mail is to formerly announce the preparation and delivery of the first version of the CY43T2 export code to Aladin members.

Technical details are summarized in the companion note. Please read it carefully.

For any question about installation or feedback about results of local implementation, please use the following contacts:

at MF, Claude Fischer and Alexandre Mary; for Aladin coordination, Maria Derkova.

Specific technical questions also can be sent on the "alabobo2@meteo.fr" mailing list.

Best regards,

C. Fischer
